

BankWorld ATM Client (BWAC) Installation

BankWorld ATM Client is the core component of CR2's self-service banking platform. It sits on the banks ATM's and provides a highly customisable and flexible interface to the customer.

This course gives participants an in-depth knowledge of how to prepare and install an ATM using BankWorld ATM Client.

This is a hands-on course that allows participants to practice some of the relevant tasks.

Benefits:

You will be able to perform an installation of BankWorld ATM Client and configurations using BankWorld ATM Manager.

Having staff trained in installation and configuration of the BankWorld ATM Client will enable the bank to support its own ATM operations, in an efficient manner, and may in turn result in lower consultancy costs.

Our training is a blend of classroom and online training and includes:

- Overviews
- Installation
- Configuration
- Operations
- Tools

For more information please email us at training@cr2.com.
